

---

#### Instructions

1. Open the KidsView AR App
2. Accept the request to use your camera (if it asks)
3. Point the rear camera of the SmartPhone or Tablet toward each of the symbols on this page
4. Experience Nebuchadnezzar's Statue, a Missionary Plane, or a boat like the one Jesus was on in 3D! While keeping the phone pointed at the image, walk around the magazine while holding the phone, you can also come closer or further away from the magazine, and see what happens...
